

# Israel: a Spiritual Journey of a Lifetime

with Rabbi David Zaslow & Ayala Zonnenschein

We are so excited to be organizing what promises to be a fantastic trip to Israel from May 26 - June 8, 2015. The journey together will be a trip-of-a-lifetime. We'll pray in the holy sites and walk in the footsteps of our Biblical ancestors. A trip to Israel is a journey into each of our personal histories like no other. When we go to Israel we are coming home, to our spiritual homeland. The feeling is palpable, and I am sure you will love what we have planned.
