

## IT TAKES A TRIBE TO CREATE THE WOMEN'S SEDER

**Everyone:** We need Fabric & Indian Bedspreads to create our gorgeous tribal space. Please lend us what you've got to make the room *amazing!* Leave at the Havurah office or by the office door with your name clearly marked on masking tape on the corners.

### **VOLUNTEER JOBS – *please choose one or more!***

**Crudites:** cut up carrot & celery sticks (leave in Havurah fridge by Saturday noon)

**Make Charosets:** we can supply recipe or use your own (leave in Havurah fridge by Saturday @ 12pm)

**Parsley/Salt Water:** buy and wash parsley and cut into sprigs; mix up salt water (bring to Havurah by Saturday @ 12pm)

**Bake Brownies:** we will supply a yummy kosher Passover recipe (bring with you to seder)

**Errand Running:** we may find there are some items to be picked up around Ashland (probably Fri or Sat)

**On Friday** (probably around Noon)

**Set Up:** set tables with plates, glasses, flatware, napkins, tablecloths, bud vases

**Tent:** help “swag” our Red Tent, set up Hand Washing Station inside

**On Saturday**

12 Noon: **Assemble Seder Plates & Crudites** at Havurah and put out on tables

4:15pm: **Chauffering** – some elders may need transportation to and from the event

4:30pm: **Door Staff/Greeters** – give out name tags, direct potluck dishes to kitchen, help people find seats

**Clean Up Leaders:** we will all bus the tables, and there will be kitchen staff, but we'll need some leaders to supervise, remove tablecloths, direct people to compost buckets, help get potluck serving plates back to owners, etc.
